The screenshot shows a registration form titled "Step 3: Create User". At the top, there is a progress bar with four steps: "Search Account", "Verify Account", "Register User Info" (which is highlighted in blue), and "Complete". Below the progress bar, the form has four input fields arranged in a 2x2 grid. The first row contains "User Name" with the value "WaterNinja1234" and "Email Address" with the value "noreply@gmail.com". The second row contains "Password" and "Confirm Password", both of which are masked with dots. A dark grey "REGISTER" button is located at the bottom left of the form area.

Step 7: Your registration is complete! You can log into your account!

The screenshot shows a confirmation page titled "Step 4: Registration Complete". At the top, there is a progress bar with four steps: "Search Account", "Verify Account", "Register User Info", and "Complete" (which is highlighted in blue). Below the progress bar, the page displays the user's registration details in a light grey box: "User Name: Waterninja1234" and "User Email: noreply@gmail.com". At the bottom left of the page, there is a blue "Log In" link.
